25 Years of experience

Professional Bio:

Over the past 25 years, Joel has gained skills and experience in program management, monitoring, and evaluation. He has also gained skills working with the private sector (Non-Governmental Organizations – NGOs) and with a bilateral government agency (USAID). He has worked at community level as an immersed project officer, at district level as a program manager, and at national level as a specialist/adviser. His roles have progressively increased in complexity from implementer to project manager to technical specialist/adviser. All his roles have an aspect of health system strengthening.

Skills & Expertise:

Program/Project Management; Grants Management; Policy Development; Global Health; Humanitarian Assistance; Other: Malaria, Integrated Health; Monitoring, Evaluation, and Learning (MEL); Proposal Writing; Stakeholder Engagement; Private Sector Engagement; Budget & Finance; Strategic Planning
